

USA Swimming Officials Re-Certification Test 2001/2002
Clerk of Course

Using the following list, seed the following according to National Championship procedures where non-conforming times are not converted (for finals, assume the table constitutes the results of prelims):

- [1] The top 16 swimmers in a timed finals event, 8-lane pool.
- [2] The championship and consolation finals when there are 15 swimmers and a 6-lane pool.
- [3] The championship and consolation finals when there are nine swimmers and an 8-lane pool.
- [4] Preliminaries (in a prelims and finals event) when there are 34 swimmers and a 6-lane pool.
- [5] Preliminaries when there are 26 swimmers and an 8-lane pool.
